About Me

My name is Raj, and I am an enthusiastic and driven individual with a passion for continuous learning and self-improvement. I approach challenges with a positive attitude, believing that hard work, dedication, and creativity are key to success.

Projects

Web Development Projects

- Netflix Homepage Clone (HTML, CSS)
- Personal Portfolio Website (responsive design)
- Coffee Website (clean UI and navigation)

JavaScript Projects

- To-Do List App with dynamic task management
- Weather App integrating OpenWeatherMap API
- Tic Tac Toe Game with responsive UI
- Note App with CRUD functionality

DSA Projects & Problem-Solving

- Developed solutions for algorithmic problems including palindrome checks, Armstrong numbers, Fibonacci series, array operations, and pattern printing
- Implemented fundamental sorting and searching algorithms, improving problem-solving efficiency
